Recognizing the individuality of each potential sponsor, we are dedicated to work with you to design a sponsorship package that best suits the needs of your business. **Sponsorship and support** for the Foundation's Prayer Breakfast will assist the Foundation in continuing to deliver the Warrior PATHH (Progressive & Alternative Training for Helping Heroes) program, Post-traumatic Growth workshops and community-building gatherings and events in the Pacific Northwest. These life-affirming programs are offered at no cost to participants, and allow veterans and first responders with post-traumatic stress to transform times of deep struggle into profound strength. The Permission to Start Dreaming Foundation is grateful for your partnership - together we offer hope and healing to those who serve and protect our country and communities.
