Recognizing the individuality of each potential sponsor, we are dedicated to work with you to design a sponsorship package that best suits the needs of your business. Please contact us with individual needs or questions regarding your sponsorship.
Sponsorship and support for the Foundation's Pull For A Soldier will assist in continuing in the delivery of the Warrior PATHH (Progressive and Alternative Training for Helping Heroes) to the Pacific Northwest. PATHH is a transformative training program that allows veteran and first responders with posttraumatic stress to transform times of deep struggle into profound strength. The Permission to Start Dreaming Foundation is grateful for your partnership! Together we can offer hope and healing to those who serve and protect our country and communities.
